**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer of Carolina Water Service and have put up with their outrageous water rates for about 14 years.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

Due to their contracts, Carolina Water Service has a strangle hold on the Lake Wylie, SC area. Their rates are not in line with other communities in the surrounding areas that are not subject to their piratical tactics. I strongly oppose another increase in their rate structure and, in fact, feel that their current rates are entirely too high.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***  
(This section should be completed.)
